

# How to join the IDHS/SUPR Access Narcan Project

1. Go to <https://www.dhs.state.il.us/page.aspx?item=58142> or use the QR code on this page
2. When you get to the site, click on appropriate button – either community organization, or hospital/clinic

Community Organizations  
ACCESS NARCAN  
(click here)

Hospitals & Clinics  
ACCESS NARCAN  
(click here)

3. Enroll in the IDHS/SUPR Drug Overdose Prevention Program by filling out the Survey Monkey form completely, including entering name and date on last page. For community organizations, this will require that you download the IDPH standing order for naloxone here: <https://idph.illinois.gov/Naloxone/>
4. Within 10 days, you will receive an email from [DHS.DOPP.Coordinator@illinois.gov](mailto:DHS.DOPP.Coordinator@illinois.gov) explaining the participation and reporting requirements
5. Within 5 days after that, you will receive an email from [narcancustomerserices@ebsi.com](mailto:narcancustomerserices@ebsi.com), the Narcan manufacturer. This email gives you login credentials so you can place your own order for Narcan.
6. Once you place an order, the Narcan will be shipped within 3-5 days.
7. **The Narcan will be billed to and paid for by the State of Illinois. And yes, you can reorder!**

**IDHS**  
JB Pritzker, Governor • Grace B. Hou, Secretary-design
